

RSI(14) 51.02

RSI indicator rolling over to downside, upward line has been broken

SPY (Weekly) 205.34

MA(50) 204.87

MA(200) 171.03

Volume 367,175,104

SPY consolidating. Unable to make new highs and recent lower highs will put downward pressure on prices. If breaks and closes below 204.85 then next strong support around the 185-190 area.

MACD rolling over and still on downtrend
